

Germanstown, Phil^a

Dec. 30th 1864

Mr. Wallcut:—

203

Dear Sir,

Please send my
copy of the Liberator, hereafter, to
~~be~~ addressed to me, to the "Care of
Mr. Isaac Pugh, Germanstown, Pa."

I have removed from 1709 Green St.
to one of the suburbs of the city.

I will send the payment for the next
year's paper, with the money which
I presume the Phil^a Year. A. S. Society
will soon send for their copies.

On the whole, I am glad that the
Liberator & Standard have not
been united. Though there were
some advantages promised by such
an arrangement, it would have
been a cause of regret, if the Lib-
erator had ceased to maintain its
independent, individual existence,
before the full consummation

of our grand enterprises
Please present my kindest regards
to Mr. Garrison.

Yours, very truly,
Mary Grew.
